HHPS WASTE WARRIORS

HELPING FIGHT THE WAR ON WASTE!

The 2022 HHPS Bushland Fair is doing its bit to fight the war on waste with the help of HHPS Waste Warriors and Hornsby Shire Council Waste Management Team.

A CHANGE for the better

This year at the Bushland Fair, we are changing a few things for the better:

1 BINLESS

The Bushland Fair will be totally 'Bin-less'. We are aiming to have **no bins** on site and recycle as much waste as possible in the hope to minimise the amount of landfill.

2 WASTE STATION

The HHPS Waste Warriors will be running a **WASTE STATION** where **ALL** Bushland Fair patrons will be expected to take and dispose of their rubbish in the recycling bins available.

3 RECYCLE, RECYCLE, RECYCLE

We are recycling everything we can. Here is what we are recycling:

HHPS WASTE WARRIORS

4 WATER REFILL STATIONS AND BUBBLERS

There will be several water refill stations and bubblers available on the grounds. We will have limited cups available for those without their water bottles!

5 ECO FRIENDLY PACKAGING

Where possible, we have used eco-friendly packaging and containers that are an environmentally friendly alternative to conventional plastic containers and bags. These products are all compostable!

So, what do YOU need to do to be a Waste Warrior at the Fair?

MINIMISE	TAKE	RECYCLE
Bring your own: <ul style="list-style-type: none"> • water bottle • food containers • coffee cups • bag 	Take ALL waste to the Waste Station	Sort your rubbish into the correct recycling bin (with the help of the Waste Warriors!)
