Have you seen Spirit?
 He's been flying everywhere
 Across the skies of Hornsby Heights
 Landing here and there.
 Someone found him near a wall
 Then off he flew again
 And sent a letter to a friend
 To meet on a windowpane.
 Spirit has been working hard
 Reading and writing at home
 Then practising maths in the backyard
 And sometimes learning on a phone.
 So, when you see little Spirit
 In a bush or near a tree,
 You know that he is aiming high
 For everyone to see.

Special thank you to Adeera, Marlee, Arthur, Elise, Poppy, Ava, Josh and Sophie from 1T, Aryana from 2BW for sharing.
