Incredible work by 3/4T this week. I've seen Personal Best from most students and loved reading image rich, descriptive writing, as well as having poems recited with rhythm and expression. Maths explanations have blown my mind! A highlight was the creativity shown when you created nature artworks for NAIDOC Week. Keep up the fantastic work, and remember to take breaks and be kind to everyone- especially your parents. I look forward to seeing more exceptional work.

PARENTS

To the Kindy Parents,
A special shout out to you all for adjusting to your first experience of Learning From Home. This is not an easy task for anyone, but particularly our littlest learners in their first year of school. Thank you for supporting us as we continue the learning at home. You are doing an amazing job supporting your children!! Together we can get through this challenging time.
Laura Rosier and the Kindy Team

Dear Parents,
Thank you for being such superstars with supporting your/our children accessing the Home Learning. We value your support and you are all doing a fantastic job.
Mrs Cornell

To the Year 1 and Year 3 students I taught at school in Week 1. Thank you for being such superstars! I know it must feel weird being at school with such small numbers and not being with your usual classmates, but you all handled yourself so well and just got on with things.

To those of you at home: remember, it's ok to sing and play instruments in your own home so make sure you're keeping up with your rehearsals. I can't wait to see everyone back on site soon.
Mrs Cullimore

I am astounded by the resilience and strength shown by all of you this week. It's so important during this time that you get your daily dose of exercise - please ensure you get outside every day. Your daily activity log book will help you stay on track to becoming fit and active home learners! I can't wait to see you all back at school so we can continue to develop our movement skills. Keep active and see you soon.
